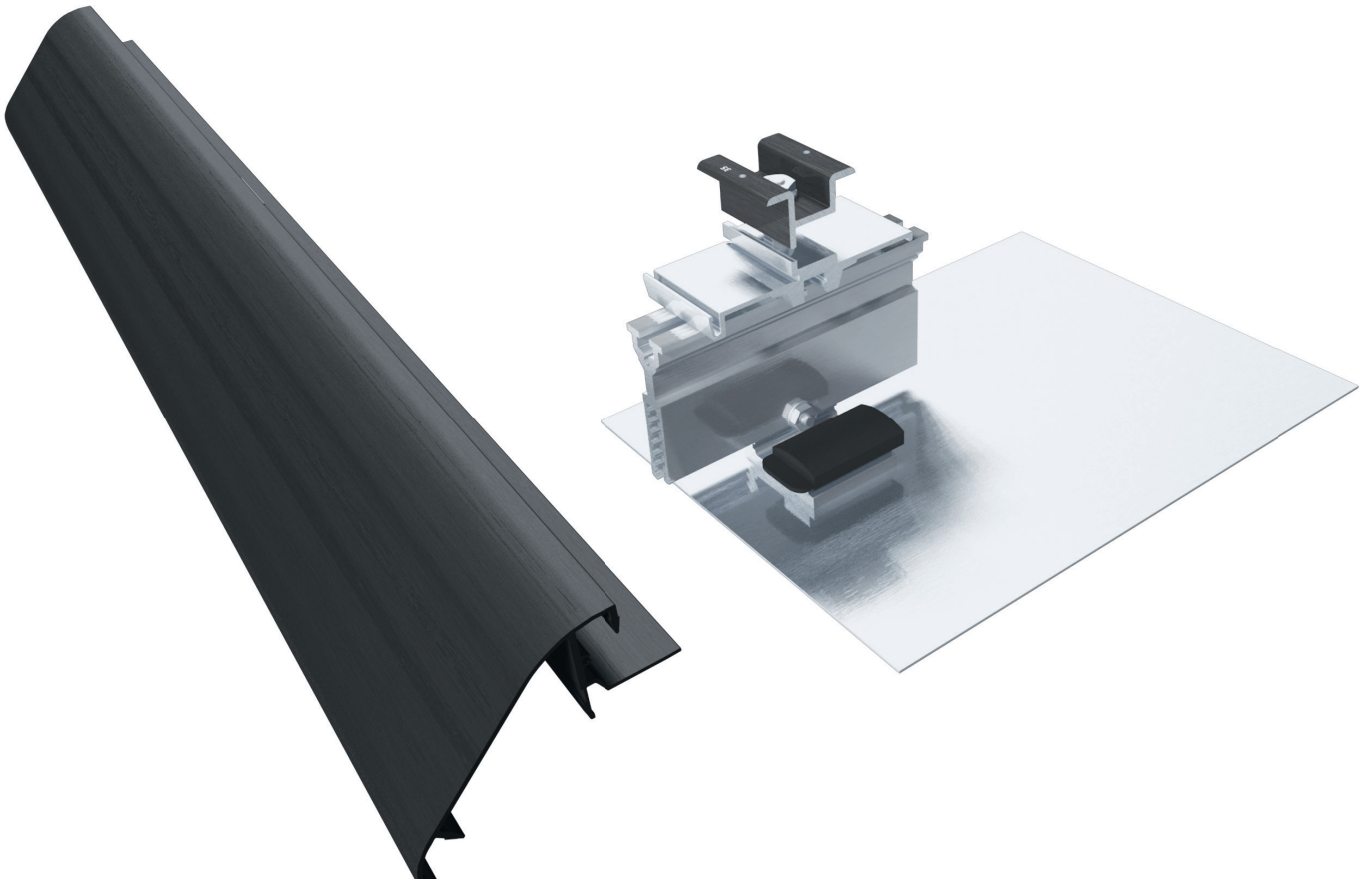
Quick Rack™

Rail-Free Mounting System



Efficient // Reliable // Economical

Quick Mount PV®

RESPECT THE ROOF

Intertek
4008516
UL SUB 2703

Patented Rail-Free Mounting System

Quick Rack, featuring QRack® patented technology, is the most reliable and cost-effective rail-free mounting system available. With only 3 main components, it works with standard module frames and features Quick Mount PV's high-quality, patented Elevated Water Seal to ensure a long, watertight life on the roof.

Features

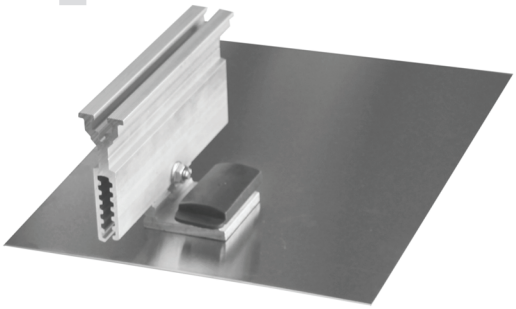
- Integrated roof mount and racking system
- Fewer components = quick to install
- Works with standard module frames - no special grooves required
- Incorporates Quick Mount PV's Elevated Water Seal technology
- Integrated grounding up to 300 modules
- Meets or exceeds roofing industry best practices

Certifications

- UL STD 2703
- UL System Fire Class Rating A, Type 1 & 2 Modules
- 2015 International Building Code
- 2016 California Building Code
- ASCE 7-10

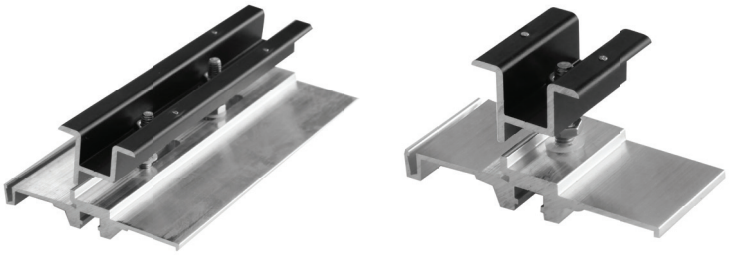
Quick Rack Components

1



Base Mount
Featuring Quick Mount PV's patented Elevated Water Seal.

2



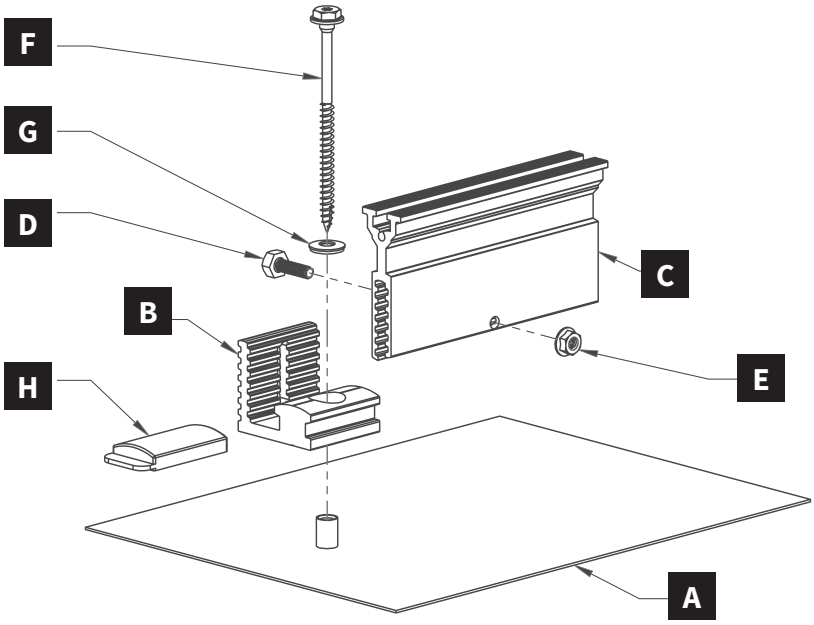
Panel Clamp
Available in two sizes (2" & 8") for both mid- and end-clamping that *works with standard module frames.*

3

Skirt
Snaps right into place for an elegant, streamlined finish.

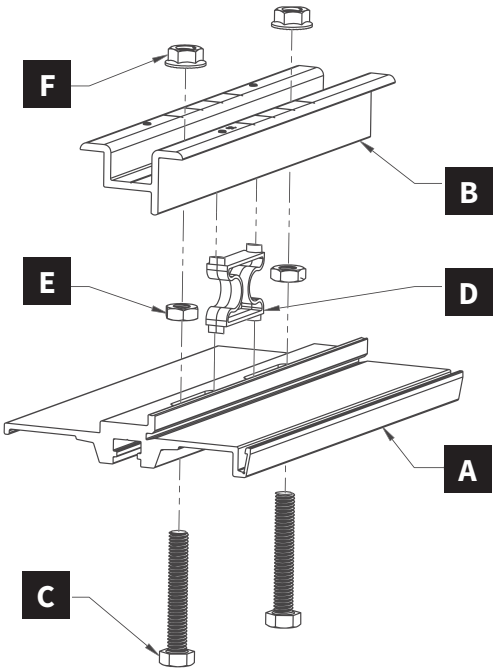
Base Mount Assembly Parts

- A Flashing x1
- B QBlock Slider x1
- C Top Slider x1
- D Custom Hex Head Cap Screw x1
- E Serrated Flange Hex Nut x1
- F T-30/Hex Head Structural Screw, 5/16" x1
- G EPDM/SS Sealing Washer x1
- H EPDM Screw Cover x1



Panel Clamp Assembly Parts

- A Clamp Base (2" or 8") x1
- B Panel Clamp (2" or 8") x1
- C Hex Head Cap Screw x1 (x2 for 8")
- D Clamp Spring (8” clamp only)
- E Hex Nut x1 (x2 for 8")
- F Serrated Flange Hex Nut x1 (x2 for 8")



Skirt Assembly Parts

- A Skirt x1
- B Skirt Clip x2
- C Skirt End Cap, Right x1
- D Skirt End Cap, Left x1
- E Sheet Metal Screw x4
