SunPumps Controller Repair

SunPumps does not offer repair parts to the end user. For controller repair call SunPumps for a "Return Authorization" number. (928) 348-9652 or 800-370-8115

Write this number on the outside of the shipping box preferably on the shipping label. Ship the controller to the following address:

SunPumps, Inc
325 E. Main Street
Safford, AZ 85546

Please include your name, return address and phone number. We will call you back with the repair cost. Allow one week for the repairs plus shipping time.
