

UNIRAC **E-BOSS** is a complete line of electrical balance of systems components which integrate with UNIRAC mounting systems. Full integration between UNIRAC's mounting system and electrical accessories significantly improves the installation experience and ensures every part of the mounting system is covered by UNIRAC's industry leading 25-year full system warranty. To be 100% sure you get every install 100% perfect, insist that your entire system is 100% UNIRAC!

WIRE MANAGEMENT: **SOLARTRAY**

Ditch the clips with **SOLARTRAY**, a high-speed DROP & GO wire management solution which secures wires and connectors with continuous support for the ultimate protection against loose cables, failed inspections and service calls.

CONDUIT MOUNT

Quickly mount conduit with this multi-purpose component. Accommodating both 1" and 3/4" conduit, this versatile mount can be quickly attached direct to the deck using an included flashing and hardware or mounted to a Rail or L-foot using a T-bolt. Simply install the mount and click its cap in place to secure the conduit.

J-BOX MOUNT

A quick fix for mounting junction boxes up to 6" x 6" in size, Unirac's universal **J-BOX MOUNT** attaches to Rail and L-Feet, no tools needed. Fasten the junction box to the **J-BOX MOUNT**, then press the mount into place.

MODULE LEVEL POWER ELECTRONICS: MLPE MOUNT

UNIRAC's **MLPE** Mount bonds and secures microinverters and power optimizers to module frames with a simple bonding pin. Increase your productivity by installing module level power electronics before lifting modules to the roof. UL2703 Recognized.

EVERYTHING YOU NEED FOR A QUICK, PROFESSIONAL INSTALLATION
